OUR CLIENTS

"The effort you put in to your craft shows. The quality of the SFX, music, and other audio work always exudes my expectations. On top of that, you are a pleasure to work with. You are passionate about building the best content, always iterating, improving, and building off of feedback."

Luke Weber - Fullflower Studio

"BK Studio excels in providing fast and high-quality services, They always been able to stick to tight schedules and has proven to be professional"

Pixol - Fabled Legacy

"Working with BK Studio has been an absolute privilege. Their speed and quality have been the best that I've worked with during my 10+ years in the industry. Highly recommend!"

Evanbear - Lootbloc

"BK Studio was a fantastic partner in creating a sound that ensured our game stood out from the rest. The turnaround was fast, the communication clear, and we'd recommend him to anyone!"

Alex - Atlas Creative

BK is the one of the best sound designers in Roblox/Fortnite. He works quickly and efficiently and is always super kind and cooperative.

Michael | Atlas Creative

"BK is a very talented music composer with the ability to adapt to any genre of music. He has always remained professional and is by far the best composer we have had the pleasure to work with.

Jule - Jule Games

"BK has been instrumental in the development of my game. His exceptional productivity, remarkably high-quality work, and willingness to tailor his skills to my project's needs have made working with BK nothing short of a delight. I would recommend BK's services to anyone who wishes to take their project's development to the next level."
